

Hatton Elementary School 2019-2020

Hatton Elementary School

Vision

We are motivating students to reach their full potential to become the leaders of tomorrow.

Mission

Learning, Leading, Succeeding.

Beliefs

It is our belief that all students can learn.

Students and staff thrive in a safe, positive, and engaging learning environment.

Effective instruction, hands-on technology, classroom engagement, and parental involvement promote student achievement.

Learning Supports

Objectives

- Involve educators, parents, and community members in serving the whole child.

Critical Initiatives

- Initiate collaborative opportunities for stakeholder involvement.
- Promote a culture that supports student engagement on all levels.

Key Measures

- Increased opportunities for involvement
- Attendance Reports and Achievement Reports

Literacy

Objectives

- Improve student literacy proficiency and reduce identified learning gaps.

Critical Initiatives

- Identify and address student needs and reduce any special population gaps.
- Increase complexity in reading and writing across all content areas.
- Enhance instruction through technology, programs, and strategic teaching in all grade levels.

Key Measures

- ACAP, DIBELS Next, Scantron PS Express
- Lesson plans
- Provide technology to each classroom

Math

Objectives

- Improve student proficiency in math and reduce identified learning gaps.

Critical Initiatives

- Identify and address student needs and reduce any special population gaps.

Key Measures

- ACAP, Scantron PS Express
