**MISSION STATEMENT**

The Lawrence County Center of Technology Mission Statement has three parts:

1. To maintain a safe educational environment which provides the opportunity for skills training and prepares the students of Lawrence County to compete in a highly technological and global economy.
2. To promote the development of critical thinking skills and moral values which will assist the students in solving both technical and life problems.
3. To encourage each student to reach his/her greatest potential and to become a contributing and productive member of society.
