

Moulton Middle School

Vision

Every student, every chance, every day.

Mission

To provide a environment that motivates and challenges all students to reach their maximum potential.

Beliefs

- We believe in providing a safe and nurturing environment for our students and staff.
- We believe that success is achieved by educating the whole child.
- We believe that all students can learn.
- We believe in the importance of effective communication.

Student Learning

Objectives

- Increase academic achievement and growth.

Critical Initiatives

- Implementation of evidence-based instructional materials/supplies and a variety of instructional strategies.
- Incorporate data-driven instruction in whole group and small group settings.
- Create lessons that meet required standards, meet individual needs of the students, promote student engagement, use technology/instructional software and hold students accountable.

Climate and Culture

Objectives

- Create a safe, positive, and engaging educational environment that involves all stakeholders that actively participate in serving the whole child.

Critical Initiatives

- Prioritize school safety by establishing rules/procedures, setting expectations, holding students accountable, and conducting safety drills.
- Promote and encourage student involvement through clubs, organizations, assignments, grouping, and activities to promote student ownership in class and throughout the school.
- Employee parental involvement aide.

Learning Supports
