

Dear Volunteer,

Thank you for your inquiring about volunteering in the Lawrence County School system. Our volunteers are greatly needed and appreciated.

Alabama state law requires all volunteers have a background check.

Lawrence County Schools has teamed with BIB (Background Investigation Bureau) to provide this service.

Each screening is \$16.95 and is the volunteer's responsibility.

Listed below is the webpage you will use to complete your background review application.

Enter the web address below:

<https://bib.com/SecureVolunteer/Lawrence-County-Schools/>

At the bottom of the page, click the tab that reads: I WANT TO VOLUNTEER

Next, follow the step by step instructions, pay the \$16.95 and wait for notification of your clearance.

Once approval is granted, you will receive your ID card in the mail from BIB.

Thank you for your service to Lawrence County Schools.
