

Senior Announcements #4—December 3, 2021

1. All college admission applications should be done by now. Submit transcript requests at parchment.com. Also continue the completion of scholarship applications for your college choices. Apply for Academic, Leadership, Departmental, Endowed, Academic... on each college's website.
2. **Every** senior needs to complete the 2022-23 FAFSA (Free Application for Federal Student Aid-using 2020 taxes) at fafsa.gov. Mrs. Bentley is on campus Mondays/Tuesdays if you or your parents need help completing the FAFSA. Her email is babvote@aol.com. Many colleges (NWS and CCC) require the FAFSA before they will consider you for scholarships, so get this done if not already!
3. Since a financial aid year runs from August to July, the following applies to financial aid for **2022 summer college**: If you plan to attend college summer 2022, you will use the 2021-22 FAFSA application (using 2019 taxes).
4. If you earn a higher ACT score AFTER applying for a collegiate scholarship, call the Financial Aid office to verify they received the new score and increased your scholarship if applicable. If you did not list that college as a score recipient, go to your ACT account and send them the new score.
